

PROFILE IN BRIEF

Selka Ltd. Ankara/TR was established in 1986 and started with some educational projects in Turkey. Upon the foundation of Selka GmbH in Hamburg 1989, World Bank Projects became the main scope of the both companies and numerous World Bank and International projects in education sector were completed successfully.

While **Selka Ltd Ankara** provides all the educational equipment -from the simplest to the most sophisticated - and consultancy services within the territory of Turkey , Selka GmbH-Hamburg deals with the wider area outside of Turkey.

Selka GmbH-Hamburg & Selka Ltd. Ankara have a very good reputation on the international educational projects for the last 39 years and have excellent references from many institutions.

As a leading company in the field of scientific equipment in Turkey & Germany, **Selka GmbH & Selka Ltd.** , have been enjoying a fine reputation since they were established.

Some of the projects completed by **Selka GmbH –Hamburg & Selka Ltd.-Ankara** are enlisted in the following pages:
